ACKNOWLEDGEMENT OF COUNTRY

Our community acknowledges the Bunurong and Wurundjeri people, the traditional owners of this land, who have walked upon and cared for it for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of Reconciliation.

A place to meet like minded men for a chat over a cup of coffee and maybe involve yourself in some activity. Make new friends, find new opportunities and learn new skills.

OUR PHILOSOPHY

Cardinia Men's Shed believes in supporting members of our community. We do this in a number of ways and with different organisations.

Like all Men's Sheds, we primarily started as a support network for men in the community.

In addition, we mentor youth through programs like "The Couch Project". Thursdays are available for women to join the shed if they would like to hone their wood working skills.

Guest speakers are invited to the shed on a regular basis to talk about health, senior services and special interests. Day trips are arranged where sufficient interest is shown in visiting somewhere. This includes other Men's Sheds.

COMMUNITY INVOLVEMENT AND FUNDRAISING

Cardinia Men's Shed undertakes projects within the local community as well as fundraising to support the activities of the shed.

Fundraising is achieved through Bunnings barbecues, selling items made in the shed as well as completing projects both for individuals and community groups and organisations.

SPONSORSHIPS & DONATIONS

Being a non-profit organization, all support to Cardinia Men's Shed is welcome. All donations and sponsorships are appreciated. Call us to enquire today

A note from the editor...

Dear Tynong,

After it seemed that the balmy autumn would continue forever, it finally and suddenly become seriously wintry almost exactly in time for the King's Birthday long weekend. While a bit more rain would be welcome, the frosty temperatures have certainly made for some invigorating car defrosting, water trough breaking, Michelin-man layers mornings. The dark, windswept platform at Tynong Station waiting for the 6.43am has been particularly grim lately! (but of course we don't have to worry about that for the next month, given that it's replacement coaches now until the middle of August—check the V-line website for details if you have any travel planned.)

Apologies for last month's printing gremlins, who apparently invented their own font. We have run the article on the Tynong Hall history again for those who couldn't decipher it in hard copy.

Have a wonderful month and happy reading!

~ Caroline

Tynong Fire Brigade News

In case of emergency, ring 000

Due to a drier start to winter than usual, the Brigade has been attending a number of burn offs that are out of control. Please take precautions when burning off. Register your burn. Make sure there are no exposures near by. Check weather conditions for the day you are burning off and the day after. (Especially the wind!) Try to avoid burning off on windy days as you may end up burning areas you did not intend to burn!

Let your neighbours know especially if fire will be large.

Remember you can't burn off in July.

Please check <https://www.cardinia.vic.gov.au/burningoff> for more information.

The Brigade was delighted to welcome Margaret from the Berwick Opportunity Shop, who presented yet another generous donation to the Tynong Fire Brigade, adding to the over \$200,000 the shop has shared over the years. Margaret is pictured here with Captain David Glazard. Thank you Berwick Op Shop!

2025 Stan Henwood Award Winner Announced

Cardinia Shire Council announced this year's 2025 Stan Henwood Award recipient at the annual volunteer reception held at Cardinia Cultural Centre on Thursday 22 May.

This annual event is an opportunity to celebrate with our local volunteers and formally acknowledge their contributions to our community for National Volunteer Week (19 – 25 May).

The Stan Henwood Award honours lifetime achievements in community service and volunteering. This year, it was awarded to Geoff Young.

Geoff has been a dedicated leader in the Cardinia Shire community since 1995, significantly contributing as the Scout Leader of the Garfield Scout Group. He served as President of the Garfield Rotary Club (1999-2006) and has been involved with the Pakenham Rotary Club as President and Assistant Governor since 2006.

Since 2003, Geoff has led the Pakenham and District Agricultural and Horticultural Show Society, and has been part of the South and Central Region Show Societies since 2010. From 2012 to 2021, he was instrumental in the Pakenham Bluelight program and played a vital role in disaster relief during the Labertouche fires.

Geoff's commitment to community engagement and multiculturalism inspires others in the Cardinia Shire to embrace challenges and work towards a brighter future.

Cardinia Shire Mayor, Councillor Jack Kowarzik, congratulated Geoff and expressed his gratitude to the shire's many volunteers for their ongoing efforts.

"I want to give a big shoutout to Geoff for being the recipient of the 2025 Stan Henwood Award. His dedication over such a long period of time should be commended, and he's a deserving recipient", said Mayor Kowarzik.

"I also want to recognise all the nominees: Ron Harmer, Ray Spencer, Denise Davidson, Sarah Kelly, Kirra Kruzicevic, George Fry, Meg Platte, and Sunny Duggal. Thank you for your unwavering commitment to serving our community throughout your many years of volunteering."

"Thanks to all our fantastic local volunteers. Your contributions never go unnoticed and are a huge part of what makes Cardinia Shire such a great place to live."

For more information about the Stan Henwood Award, visit: www.cardinia.vic.gov.au/stanhenwood

For details about volunteering opportunities in Cardinia Shire, phone 1300 787 624 visit www.cardinia.vic.gov.au/volunteer.

About Stan Henwood

Stan was heavily involved with the Tynong Hall Committee, Tynong Recreation Reserve Committee and the Make A Wish Foundation. He was also a life member of the Tynong Tennis Club, the West Gippsland Tennis Association, Tynong Fire Brigade and Tynong Progress Association.

In 1981 and 1990 he was recognised as the Cardinia Shire Citizen of the Year, as well as receiving a Citation for all Community Achievements.

Beyond Cardinia Shire's borders, he received a Medal from the Prime Minister for service to sport and an Order of Australia for Service to the Community.

It is this commitment to volunteering across a diverse range of organisations and indeed during most of his life that made Stan a standout member of our community.

THE TYNONG HALL HISTORY | Gladys Quigley and Denise Davidson

The Tynong Hall was built in 1928 (I believe). The original hall was built in 1887 as it was in receipt of government grants in the years 1887, 1888 and 1889.

At this stage there was no kitchen attached to the hall. The first state school building was moved from Tynong Road where St Thomas Aquinas school is now, to a position behind the hall. It was a three roomed building and the smaller room was the kitchen, which also had an open fireplace. A small room off the main room was used as a Baby Health Centre until the new building was built next door, which is where it still is today. There were toilets (thunder boxes) situated near the building. The third room was the supper room.

The hall was used for badminton, dances, concerts, the picture theatre, talent quests, State School, Christmas parties, meetings, CWA kitchen teas and parties. During the early 1950s the hall committee held very successful fortnightly dances and euchre nights, Sunday School and Church of England meetings. One highlight of this time was a Debutante Ball (I have a photo of the ball), the only one ever held in the hall. Like the fortnightly dances, there was standing room only.

A substantial amount of money was raised, enough in fact, to build a new kitchen attached to the main hall. The old supper room was removed from behind the hall (but not the toilets) and was eventually located to the Old Gipps Town at Moe, where it still is today.

During the 1950s, there was a cinema and external steps up to the projector room was situated on the outside of the hall near the double front doors. Inside the foyer was a ticket box which had a selling window to purchase tickets.

A badminton court was painted in the early 1950s with A, B and C grade competition playing in West Gippsland Badminton Association. Many a happy and long night was spent around the open fire in the supper room after the games were over.

In 1959, during a very windy August night, the hall was "blown off its foundations".

By 1961 it was reblocked and had big supports built on each side of the hall so that it would not occur again. Late in 1961 it was once again open for public use.

Another amazing event took place in 1965 when there was a "Back to Tynong" celebration held in the hall. It was a very popular event with a large committee of locals helping to organize the entertainment and sit down, two-course meal. The committee held dances on the first Saturday of every month as well as Cup Eve Ball, prior to Cup Day. These were very successful and gave the Hall Committee funds that could be put into the maintenance and taking care of the hall.

The toilet block was built in 1981 and the whole hall ceiling was replaced in 1982. Gas heaters and lighting were installed in 1994 to both the hall and supper room. Heaters in the mail hall still operate today.

In 1998, the hall was reblocked again and the external walls replaced. The stays that were put up in 1961 after the hall blew over, were removed. This work was completed by the committee, with the assistance of Corrective Services of Victoria. Each weekend a team of workers with a supervisor would arrive by bus and complete community hours as per their court instructions. The committee would provide lunch with a BBQ. The replacement of the walls took several months, and these boards are the ones still on the hall today.

The extension of the toilet block was added to the main hall in the 1990s as well as the concreting of the car park, replacing the sand car park which required maintenance.

The Hall Committee was still very active with the monthly dances and continued to raise money, putting funds back into the hall.

In the 2000s a mural, depicting a scene at the original Tynong quarry, was painted on the stage wall. A new fridge and stove were purchased in 2005. The disabled toilet and ramp were built in 2006. The hall floors were sanded and polished in 2007, followed by planting the external garden and new fencing. 2009 saw the completion of the Honour Board. Sewerage was connected in 2010, followed by painting of the internal walls and replacement of bench tops in the kitchen in 2011. And in 2013, air conditioning was installed in the supper room.

This is a history as we remember, having been involved with the Hall Committee for many years.
